

ELECTION OF JUDGES

For elections, circuits with more than one judge will be separated into divisions according to the number of judges serving the circuit.

- Judges will be elected in MAY, instead of November
- Judges will run as nonpartisan candidates instead of being associated with a political party
- Candidates will be located on the nonpartisan ballot like the Board of Education race

Example:

PREVIOUSLY

CURRENTLY

Previously, the elected judges were the top 5 vote-getters in each race.

The candidate in each division with the most votes will be elected, regardless of the number of votes received in comparison to other divisions.
