How can we get out from under the system of pay-to-play politics, where politicians reward their donors with public money and special favors?

PAY 2 PLAY: Democracy's High Stakes is an entertaining documentary about the corrupting influence of money in politics featuring **Robert Reich, Lawrence Lessig, Marianne Williamson, Noam Chomsky, Van Jones** and more. The film explores the status quo and offers a set of simple solutions we can all work on together to take back our democracy.
