Our first fall meeting will be held **Wednesday, September 26, 7:00-9:00 p.m.** at the **Aull Center**, next to the Library at 351 Spruce Street. This public meeting will focus on the WV

Constitutional Amendments to be decided in the November election. We have invited Robert Bastress (left), WVU Law Professor and Constitutional Law expert to explain the details, need, and repercussions of the amendments, and to respond to questions from our league and participants.

What does it mean to be a member of the League of Women Voters? First and foremost, it is to **be informed** – about local, state, and national issues! To that end, our local league devotes time and talent to organizing candidate forums and panels or discussions about topics of local interest. Our first fall Membership Meeting is an example. What do you know about the upcoming two

Constitutional Amendments? Why were they proposed by the state legislature, and what will their impact be? Our guest speaker will help us unravel the issues. We expect all members to attend this important meeting and encourage other members of the public to come as well.

We value our first fall meeting not only for the content presented, but the opportunity to gather as a group to connect with one another. We look forward to seeing everyone!

Constitutional Amendments

Amendment No. 1, the proposed “**No Constitutional Right to Abortion Amendment**,” is written as follows:

“Nothing in this Constitution secures or protects a right to abortion or requires the funding of an abortion.”

Amendment No. 2, the proposed “**Judicial Budget Oversight Amendment**,” would shift judicial spending oversight to lawmakers. Currently, the judiciary controls its own budget. The proposed amendment making the change includes the following language:

“Providing that the total general revenue appropriations to the judiciary may be reduced in the budget bill, and setting forth the required procedures to be followed by the Legislature to enact any decrease in the total general revenue appropriations to the judiciary to an amount that is less than 85 percent of the amount of the total general revenue appropriations to the judiciary in the most recently enacted budget; providing that when requested by the Legislature, the Chief Justice of the Supreme Court of Appeals must appear and be heard and answer inquiries relative to any budget bill; and conforming language relating to the introduction of the budget and matters that may be taken up during extended sessions to more recent amendments to the Constitution.”

Candidate Forums

There will be two candidate forums in October, organized by our local LWV and Mountaineers for Progress (MFP). The first one will be for the House of Delegates candidates, District 51. It will be held on **Thursday, October 11, at 7:00 p.m.** at the South Middle School auditorium, 500 E. Parkway Drive. Candidates are: Republicans Cindy Frich, Aaron Metz, Roger Shuttlesworth, Joe Statler, and Debbie Warner; Democrats Barbara Evans Fleischauer, Evan Hansen, Rodney A. Pyles, Danielle Walker, and John Williams; Libertarian Buddy A. Guthrie; and American Freedom Union Harry V. Bertram.

The second forum will be for the County Commission candidates and the WV Senate candidates, Districts 13 and 14. It will be held **Thursday, October 18, 7:00 p.m.** at the South Middle School auditorium, 500 E. Parkway Drive. Candidates are: County Commission Republican Andrew W. Price, Democrat Tom Bloom. State Senator, 13th District, Republican Mike Oliverio, Democrat Bob Beach. State Senator, 14th District, Republican Dave Sypolt, Democrat Stephanie Zucker.

Refreshments will be provided at both events. This is always a great opportunity to see your candidates in person and learn about their views on a variety of issues. League members are asked to bring goodies for the forum on October 11.

Voters Service

Our League has responded to an initiative from the LWV Education Fund to register voters. An award winning, urban planning, development, and investment management firm **Jonathan Rose Companies**, has joined forces with the League to register and empower voters this year. **Funding for these events will be provided as pass-through grants from the LWVEF.** Members from our league will go to Wheeling on October 3. We will assist residents with voter registration, providing nonpartisan local voting information, and collecting completed voter registration applications to turn in to local elections officials. The grant will be \$350 for this event – a big help for our budget!
